

# Free Modern Slavery Training

**Modern Slavery is an increasing issue across the West Midlands and we are working with partners to highlight this problem and tackle it.**

## Why organisations and charities?

You are in a unique position, supporting people in your community.

Traffickers are looking for people with any **VULNERABILITY** to exploit, so they might be targeting people that you support.

We can support you and your organisation by:

- Training staff and volunteers to recognise the signs of Modern Slavery. We can deliver Home Office training or training developed with our partners The Clewer Initiative and the GLAA (Gangmasters Labour Abuse Authority).
- Teaching your staff and volunteers how to share concerns and safeguard victims

## What can we offer?

1) A range of FREE training customisable to your church. This includes shorter (45 mins) and longer (2 hour) interactive sessions

2) A wide range of FREE awareness raising resources

3) Access to free Modern Slavery apps to help staff and volunteers safely but directly tackle Modern Slavery

4) Links to partner charities and civic support

5) Ways of passing on concerns to the authorities
